Cha, cha, cha, changes!!!

Every time we turn on the news it seems the new buzzword is – CHANGE! Everywhere we look there are changes! Changes for the home, work, school, cars and everything we buy!

At first, change can be a scary thing. Thoughts like how I can figure this out? Where do I start? Thoughts like how will all these changes affect my life, my family, my friends, all pop up in our minds like Orville Redenbacher popcorn popping out of control!

So how can we shift gears and change? Let's take a lesson from basic automotive mechanics. Generally a car has between 3 or 4 gears. The first gear maximizes power in exchange for speed. As you move through the gears, you continue to exchange power for greater speed. Through gear ratio you continue to go faster, yet without using any more power, and before you know it, you have to look at the speedometer, because nobody wants a speeding ticket!

So what can we learn from this? Do you want a breakthrough? Do you want a new direction? Then you need to take the first step. You need to put all your focus, all your energy into that first initial gear! Yes, it takes all your energy, and yet it seems like you are moving so slow, be encouraged, because once you start moving, you will be able to shift gears, and before you know it you will be sailing along!

The first step is always the hardest; weather it's getting into the routine of reading the Bible every day, or prayer or whatever the spiritual discipline you are trying to change or develop. You can have a breakthrough with power of the Holy Spirit empowering you! So go for it!

Put everything you got into that first start. Oh you might grind the gears a bit when you start a new spiritual habit. But just like driving, it will get easier; and before you know it - we might have to issue a speeding citation just to slow you down a bit!

So don't be afraid of the 9 and 10 speed transmissions these days, take it one gear at a time. As we take each day one at a time with the Lord.

Why with so much work to be done in our heavenly fathers name, let's not stay in neutral – let's get into gear and start shifting to finish the good work God has begun in you!

Together in Christ Jesus,

Pr. Eric

Senior Recognition Sunday

On Sunday, May 6th, eight graduating seniors were recognized and celebrated. Left to right pictured; AJ Sieh, Brittany Kelly, Kevin Jorgensen, Hayli Paulsen, Trey Starr, Abigail Roush, Gage Clay, and Hayden Woltmann. Six of the seniors applied for and received scholarships from the Endowment and Memorial Committees, which were awarded during the luncheon provided by the council. Congratulations seniors and we wish you well as you continue to use your gifts and talents for the glory of the Lord!

New Software Management

The council voted early in the year to make a switch from Church Windows software to Breeze CHMS software. The change was made to benefit the office, committees and congregants. The new software has many benefits including, but not limited to; more user friendly, an online directory with contact information, a mobile smartphone app, online giving, ability to change your own contact information, view your own giving history, and much more. As we start incorporating the Breeze software, we are encouraging feedback and asking for a little grace. Information transferred from the previous software may not be the most up to date, etc. Also, the finance committee has been working diligently to re-enter the 2018 giving information, so by the year end, all giving information for the current year will be available to you at your fingertips on Breeze.

Sounds Great! How Do I Start?

On Monday, June 4th, you should receive an email from Sue (tlcspaulsen@gmail.com) and/or Breeze with the start up instructions. Once you have created a user name and password, you are free to begin browsing and updating your information. Please feel free to upload profile pic's of yourself and your children/family (this really adds to the directory!) Once registered, you can also download and access the smartphone app thru the app store for free. This should come in very handy when searching for volunteer replacements! If you do not receive an email on the 4th, please contact Sue, as there is an error in information somewhere! Again, all feedback is encouraged, so that we can work the kinks out and begin using this software to benefit us all!

On May 13th, Myra Elaine Beach was welcomed into the family of Christ thru baptism. Proud parents are Wil and Laine Beach and sponsors were Nicole Colfack and Cody Munyon. Shari Munyon (Myra's grandma), presided over the ceremony with Pastor Eric.

On April 29th, 2018, Makenzie Lynn Long was welcomed into the family of Christ thru baptism. Her parents are Katelynn and Adam Long. Pastor Eric Meissner presided over the ceremony. Makenzie's sponsors were Allyson and Michael Trulson. Congratulations Makenzie and Family!

Youth Group Year End News!

Thank you to all who donated purses and small bags for our youth group to use for donation. Youth group met and filled the purses and bags with many hygiene and personal items. These included, but were not limited to, band aids,

water bottles, Kleenex, socks, ponytail holders, food bars, antibacterial wipes, soaps, deodorant, etc. 80 gently used purses and bags were filled and donated!! The Micah house in Council Bluffs received the majority of the purses with our TLC food pantry also receiving some.

Are we willing to give up all we have to follow Jesus? Are we willing to trade up?

Youth group met for their final meeting of the school year on May 6th. They ate spaghetti and then played a game of bigger and better. What's a game of bigger and better you may be asking yourself. Here's the concept- you start with a nominal amount such as a dime. Then you go door to door asking people if they'd like to play, by trading something that would be bigger in size or better than what you have.

So youth group started out with a quarter and began knocking on neighborhood doors, and here's how our progression thru the evening went: quarter for a dollar, a dollar for a flashlight, a flashlight for a suitcase, a suitcase for the same suitcase and a dollar, the dollar/suitcase for a hand made wooden cross, the wooden cross for a bug zapper, the bug zapper for \$100.00 and finally, a fork and 140.00. So as you can see, the youth group started out with a quarter and began walking back to the church with \$140.00 and a fork.

Well, as you all know, God is always at work around us. As the group was headed back to the church, Rik Zortmann was walking out to his car and asked us what we were up to. As Trey explained the game, it was agreed upon by the whole group, that the \$140.00 should be donated to Rik and his cause for curing pediatric cancer! This was a great experience for the youth group and a wonderful way to end our year-Thank you to all the neighbors who joined us in playing bigger and better!

Looking forward to next year's youth group and all the ways that God will work thru us when we are willing!

TRINITY'S FIVE & DIME

Welcome to “Trinity’s Five & Dime”. This section is dedicated to stories, experiences, and devotionals where together we can share God’s spiritual candy. Thanks be to God for his never-ending love, grace, and mercy that he blesses me with, and for the opportunity that I’ve been given to share my experiences and thoughts about God’s lessons in my life. Amen.

Neil Paulsen

.....Most people spend hours each week maintaining their outward appearance; they should do even more to develop their inner character. While everyone can see your face, only you and God know what your heart really looks like. What steps are you taking to improve your hearts’ attitude?

At the Heart of the Matter (Part 2 of 6)

Next we’ll go back to Matthew 23:1-7, and its explanation. Then Jesus said to the crowds and to his disciples, “The teachers of religious law and the Pharisees are the official interpreters of the law of Moses. So practice and obey whatever they tell you, but don’t follow their example. For they don’t practice what they teach. They crush people with unbearable religious demands and never lift a finger to ease the burden. Everything they do is for show. On their arms they wear extra wide prayer boxes with Scripture verses inside, and they wear robes with extra-long tassels. And they love to sit at the head table at banquets and in the seats of honor in the synagogues. They love to receive respectful greetings as they walk in the marketplaces, and to be called ‘Rabbi.’” In the explanation we see that Jesus again exposed the hypocritical attitudes of the religious leaders. They knew the scriptures but did not live by them. They didn’t care about being holy – just looking holy in order to receive people’s admiration and praise. Today, like the Pharisees, many people say they know the Bible but do not let it change their lives. They say they follow Jesus, but they don’t live by his standards of love. We must make sure that our actions match our beliefs.

From here we turn back to chapter 7 in Matthew, and look at verses 13 and 14 along with its explanation. Here, Jesus is teaching about the way to Heaven, and starts by saying, “You can enter God’s Kingdom only through the narrow gate. The highway to hell is broad, and its gate is wide for the many who choose that way. But the gateway to life is very narrow and the road is difficult, and only a few ever find it.” In the explanation of these verses, we see that the gate that leads to eternal life is called “narrow.” This does not mean that it is difficult to become a Christian but that there is only one way to eternal life with God and that only a few decide to walk that road. Believing in Jesus is the only way to heaven, because he alone died for our sins and made us right before God. Living his way may not be popular, but it true and right. Thank God there is one way. I chose to use these verses in this message about the heart, because it shows that there is a very fine line of getting through the “narrow” gate into eternal life, while the road to hell is wide for its many travelers. And so are the motives of our deeds, and the thoughts within our own hearts, that they teeter on that fine line of doing acts that are truly Christ-centered or completely self-centered. To the point of before doing anything, we must ask ourselves, who is the benefactor of what I am about to do?

June Volunteer Schedule

Each worship service has a need for more volunteers. Please ask how you can be of service!

If you are unable to serve during worship at the time you've been scheduled, *please find your own replacement* and let the church office know of the change so the information in the bulletin can be changed. ***A great place to begin looking for a replacement is the schedule itself—Look for someone who is scheduled for the same duty during the same worship time.*** If you are not able to find a replacement or have questions, please contact:
